Business Problems		Continue to do	Stop Doing	Seed
13	The rent for the shop is too high, and you can't find a place to open a new branch.	Help others find accommodation when they need a place to stay.	Force others to leave their home, nor fail to provide accommodation when others need a place to stay.	Protect Life (Give Space)
22	After running your business for several years and seeing it thrive, you notice that your health has encountered some minor issues, which are starting to become increasingly serious	Create a safe and healthy environment for work and family.	Neglect employees' health issues and workplace safety concerns.	Protect Life (Taking care of others' health)
1	The company's finances are unstable and are constantly in a state of fluctuation.	Share Profits with employees	take ill-gotten gains even if it's just a tiny amount	Respect other People's things (Generosity)
9	You want to acquire another company, and you've seen a business opportunity that is sure to succeed. You need some cash, but raising it is a bit difficult.	Give, give, and continuously provide what others need.	Not acting generously in business transactions and personal life.	Respect other People's things (Generosity)
31	The plan you handed over for execution has never been completed.	Assist others in completing their work with special care, whether at work or at home	Not helping others complete their work	Respect other People's things (Generosity)

Business Problems		Continue to do	Stop Doing	Seed
35	You are not financially independent, you cannot act autonomously, especially since you cannot make any financial decisions without consulting others.	Respect others' property and space, making it better together, expanding the definition of 'I', and sharing the resources you have with others	Carelessly or unintentionally misusing others' resources	Respect other People's things (Generosity)
33	Because of work, you often find yourself in unpleasant environments, such as having to travel to dirty and filthy countries for business; commuting in areas with severe air pollution; working in a factory that requires the use of toxic chemicals to produce certain products, and similar situations	Respect others' relationships	Vulgar and obscene behavior in your career and even in your mind	Respect others' relationships
34	The people around you are unreliable. When you assign them a task, you never feel confident that they will complete it for you. You have to give each task to three different people to ensure it is done successfully. You also have to be personally involved in everything, keeping a close eye on every detail, which is both exhausting and inefficient.	Maintain a loyal and trustworthy attitude in your marriage or similar family obligations.	Failure to deliver on the promises made to partners or family	Respect others' relationships
8	You find yourself second-guessing your decisions afterward, and you are increasingly unable to make decisions in business matters	Take care of and nurture others, and never boast about yourself.	Failing to care for and nurture others, and not being able to present oneself truthfully.	Honest Speech

Business Problems		Continue to do	Stop Doing	Seed
10	External factors, the so-called "natural and man-made disasters", such as natural factors such as bad weather, urban infrastructure problems or power shortages, are hurting your career.	Stick to your commitments, especially how to conduct business transactions, you have to be more persistent to principle of life	Failure to follow a promise or a code of conduct.	Honest Speech
14	Companies and individuals in your business world whom you consider especially reputable and capable seem hesitant to connect with you	Choose partners carefully and choose only those with a high level of integrity	Stemming from choosing a partner who has no ethics.	Honest Speech
21	Corruption is a problem in your business; in its regulation by government, in the way companies interact,in the way individual employees behave	Support the integrity of all those who work for you or with you.	Encouraging others to act dishonestly on your behalf	Honest Speech
23	The market strategies that used to work for you don't succeed anymore	You are trustworthy to others and speak honestly in business dealings	Dishonesty, even if it's just a very minor issue	Honest Speech
25	The people around you, whether fellow employee or managers, customers or suppliers, never believe what you have to say, even though you're telling the truth	Be honest, make sure the message you deliver is consistent with what you believe	All dishonest act including some small white lies	Honest Speech

Business Problems	Continue to do	Stop Doing	Seed
26 Whenever you undertake any form of cooperative effort - be it a group project, a partnership for some business goal, or the merger of your company with another - it doesn't seem to work out	The result of your words should be that the other party always gets the exact same understanding that you have about the particular object or event	dishonest or distorted expression of your understanding of a product, project, etc	Honest Speech
27 You work in an industry where people cheat each other a lot	completely straightforward in all your business dealing yourself	less than totally honest yourself	Honest Speech
36 In your everyday business dealings, the people around you - customers, suppliers, and employees - tend to mislead you	Be open to listening to others and learn not to expect praise from others: instead, not to be stingy in giving praise to others	Being arrogant and expect praise from others.	Honest Speech
43 You live in a business and social climate where integrity is simply not respected; where only fools are strictly ethical every hour of their business day - where "nice guys finish last"	Change your own imprint, use strong moral logic to strictly cultivate a true and upright personality, and then observe the gradual change of the surrounding environment	Failure to understand that a corrupt environment cannot be changed or avoided by external means, but by changing one's own imprint.	Honest Speech
46 You are slowly coming to the realization that, over the length of your career in the business world, the level of your own integrity has noticeably and disturbingly dropped	Strive to overcome your natural confrontation with the energy and potential of understanding the imprint	Lack of respect for integrity and failure to understand the real reasons for success in business and life	Honest Speech

Business Problems		Continue to do	Stop Doing	Seed
6	The employess and management around you always seem to be fighting with one another	Speak to bring people together in the workplace and at home	Making explicit or implicit remarks to sow discord	Honest Speech
7	You always tend to have problems with your business partners; you fall out with them over and over, no matter how often you change them	Speak to bring people together in the workplace and at home.	Making explicit or implicit remarks to sow discord.	Honest Speech
42	People in your company seem to fight with each other a lot	Make extra efforts to get people in harmony	Having ill will towards anyone in the company	Harmonious Speech
15	The competition is ruthless, and always seems to get the upper hand when you go head to head with it	Be considerate of others' feelings and speak gently.	harsh speech	Gentle Speech (No harsh speech)
28	Your boss often speaks to you in an insulting way	Unilaterally from your side refuse to respond to rude or insulting words with angry words.	Being angry or using insulting language towards others	Gentle Speech (control anger)
3	Your position in the company is unstable, you seem to be losing your authority	Listen to others' advice and be courteous	Being arrogant towards the people around you	Meaningful Speech (No arrogance)

Business Problems		Continue to do	Stop Doing	Seed
29	You find that years in the business world are taking an undesirable toll on your personal appearance	Diligently observe your own mind to see if you have the slightest anger towards others	Feeling frustrated or even angry about anything	Meaningful Speech (avoid anger)
30	Regardless of how well you do in your work, the people around you are always criticizing you	Be very sensitive to whether your words and actions have a healthy, positive impact on yourself and those around you	being arrogant, disrespectful. Being careless or disrespectful of the impact your words and actions have on others or even yourself	Meaningful Speech (Do not look down on others' feeling)
37	No one in the company respects what you have to say, every suggestion you make is ignored or considered stupid	Try to avoid frivolous chatter	meaningless conversations includes wasting time in newspapers, magazines, and television, and engaging in flirting or gossiping.	Meaningful Speech
38	You find yourself afflicted by a lack of confidence; you used to feel very sure of yourself, and now you feel the opposite	Just say what deep down in the heart you really want to do	Having unnecessary speeches, especially those that you claim to do but are difficult to execute in reality.	Meaningful Speech
39	You find yourself unable to take your well-deserved rest; you have trouble relaxing, and never really enjoy a vacation - real leisure is beyond you	Speak only when there is a reason or a definite goal and action plan.	Talking pointlessly; This includes gossip and ideas and plans that you will never put into action.	Meaningful Speech

Business Problems		Continue to do	Stop Doing	Seed
40	You have a noticeable problem with timing. You get into a market big just before it drops; you get out of a market in the middle of a boom that keeps going long after you pulled your money out. Your new product always seems to come out head-to-head with a competitor's release of a slightly better product. Your commitment to an order from a major supplier reaches him several days after his prices went up	Just talk about what you are going to do	Speaking on things you never really intend to do.	Meaningful Speech
41	No one listens when you ask then to do something	Before you speak, think twice. Your words must be meaningful and beneficial to those around you	Keep discussing something that has no real importance	Meaningful Speech
2	Capital investments like manufacturing equipment, computers, or vehicles tend to become quickly outmoded or unreliable	Focus on the company's innovation, creativity, and the joy of growing the company	Jealous of others and depressed about others' success	Be happy when others get what they want (rejoice)
4	You find yourself unable to enjoy the money and things you've worked so hard for	Be yourself, enjoy and appreciate what you have	Envy or jealous others' success, compare with others	Be happy when others get what they want (rejoice)
5	No matter how big or interesting your business gets, you always have the felling that it's not enough; you feel driven by a sense of dissatisfaction	Be yourself, enjoy and appreciate what you have	Envy or jealous others' success, compare with others	Be happy when others get what they want (rejoice)

Business Problems		Continue to do	Stop Doing	Seed
24	You find yourself feeling down more often whether or not the business is doing well. You start to get little bouts of depression or self-doubt	Continue to rejoice the success of everyone around you	Envy others' success and being jealous of others' happiness	Be happy when others get what they want (rejoice)
32	The business projects you undertake have smooth sailing at first, and then turn sour.	Invest your time and care persistently and express genuine gratitude to those around you who support you	Not realizing how much people have helped you in the past and how much they have sacrificed to help you achieve happiness	Be happy when others get what they want (rejoice)
16	Over and over, when you get deep into a deal with anybody, he or she seems to turn around and stab you in the back	Sympathize with anyone who has a problem, even if he is your competitor	Feeling of satisfaction & smugness over others' failures and misfortunes	Sympathize with others who are having troubles
18	People around you don't step forward to help you out when you most need it	Help others whenever you can.	Feeling of satisfaction & smugness over others' failures and misfortunes	Sympathize with others who are having troubles
19	You find yourself unable to control your temper, you get angry at employees, suppliers, customers, the weather, the phone, and just about anything else	Try to eradicate every form of unhappiness in people's minds, even the unhappiness in the competitors' minds	wishing problems on others	Sympathize with others who are having troubles

Business Problems		Continue to do	Stop Doing	Seed
20	The market and business atmosphere is chaotic, it seems to go up and down without any sense or logic	Wish everyone else is doing well, even if he is your competitor	Hoping for others to fail, envying others' business or countries	sympathize with others who are having troubles
11	You find yourself unable to concentrate or keep your mind focused when faced with a challenging business situation or decision	Take some time each day to quiet your mind and focus on life's larger question. If you know that tonight you were going to die, are your priorities in life in order?	Always not focus on the larger question in life	Correct world view understanding of pen
12	You find yourself unable to grasp broad business concepts, or market patterns, or dynamics like whole manufacturing processes or systems	Spend a few hours every few days honestly introspecting about the universe as a whole and where things come from in this universe.	We don't understand why we're here, how we're here, why things happen like that.	Correct world view understanding of pen
17	You think up a major project, design it down to the last detail, work hard to get it up and running, and then it simply flops	Strive to think clearly, to gain a mindset to understand the principles and potential of the imprint.	Continuously misunderstand the way things really work in this world.	Correct world view understanding of pen

Business Problems		Continue to do	Stop Doing	Seed
44	You find yourself losing your touch for business, nuts seem harder to crack now, you have trouble keeping up with the changes around you, you seem slower than you used to be when you grapple with complex challenges	Understand how imprint creates the world we see it and follow the path of honesty and integrity in accordance with this understanding	Not believing in the principle of "sowing good cause and reaping good results"	Correct world view understanding of pen
45	The principles of justice don't seem to apply to your life: Whenever you are wronged, be it by a fellow employee or by a competitor, the authorities (meaning your boss or the courts) never seem to give you the help and protection that you were hoping for	Take some time and take the trouble to understand the notion that a positive outcome can never stem from a negative and unethical cause	Refusing from the heart to admit the fundamental laws of things, the way things really work, especially the first law of imprint	Correct world view understanding of pen
